

Low-Cost Pregnancy Care Homebirth Midwifery Care and Hospital Doula Care

Pinkpeas provides complete, low-cost, no-stress pregnancy care to women and their families in a relaxed and fun atmosphere.

Visits are available at two locations; in the northwest, near Lake Mead and Rancho, and in the southeast, near Pecos and Flamingo.

Pregnancy care visits are \$60, and include checking the wellbeing of mom and baby, answering all of your questions, helping you make thoughtful plans for your birth - whether you are choosing to have your baby in the hospital or at home - and referrals to labs, ultrasounds, and, if necessary, other services and providers.

You will also receive information about maintaining a healthy pregnancy, nutrition, pregnancy exercises, identifying and reducing stress, birth plans, pain management choices and natural childbirth comfort strategies, cesarean and VBAC options, labor stages and the process of normal birth, doula care, birth stories, birth videos, breastfeeding helping, postpartum information for mother, baby, and the new family, and lots of information, help, and resources to help you be ready to feed and care for your new baby with confidence.

Families are always welcome!
